

Important Notes

There is an 'Information Hub' each day at the paint-out location for all enquiries.

You must register at the Information Hub to be part of the festival day's paint out. Not registering means you are not part of the Dublin Plein Air festival for that particular day and can not be included in any awards for that day.

Artists are to get their canvas and paper stamped on the back each day at the information hub.

Follow the instructions of stewards / volunteers at all times. There is a first-aid kit and first aider together with emergency numbers at the information hub.

**We ask every artist to be patient,
kind and considerate
to everyone during the festival.**
